BEAUTIFUL PRINTS WITHOUT THE INK

Yes, it's true! Print out vibrant, detailed photos without worrying about ink, toners, or cartridges. This KODAK photo paper allows you to produce stunning prints without ink, thanks to ZINK technology. With ZINK magic embedded into every sheet of paper, you can print out bright, happy family photos on smudge-proof, dry-to-the-touch paper. The next time you print, think ZINK!
